CORSICA

LIGHT-FILTERING (L/F)
ZEBRA SHADE COLLECTION

Corsica's tastefully subdued color options provide a sense of clam reminiscent of a coastal shore. When the shade fabric is open, its delicate sheer bands create a beautiful backdrop of light, making windows a centerpiece of elegance; when closed, a peaceful sanctuary. Corsica embodies the natural elements of the outdoors, inviting one to step outside onto the breezy sand shore but within one's own home.

FABRICATION METHODS

Cutting: Cold Cut, Ultrasonic, Crush Cut or Laser
Seaming / Hemming: Thermal, High-Frequency, Ultrasonic or Sewing.

PRODUCT SPECIFICATIONS

COMPOSITION	100% Polyester
ROLL WIDTH	118"
ROLL LENGTH	32.8 yd
WEIGHT / YD ²	(L/F) 3.42 oz/yd ² ± 5% (B/O) 4.81 oz/yd ² ± 5%
SHEER & SOLID REPEAT	2.95" / 1.97"

CARE AND CLEANING

Utilize a light feather duster or hairdryer to dust the outside face of the fabric. For thorough cleaning, the use of a small vacuum with a bristle brush will work but show extreme care in making sure not to allow the fabric to enter the vacuum. Use a sponge or a soft cloth dipped in warm water with a light detergent in case of light stains. To avoid leaving a mark, wipe from the periphery of the stain and blend in the cleaning solution. The fabrics cannot be scrubbed with any hard or abrasive objects. Be sure to remove any particulates on the fabrics' surface. Regular brush vacuuming will keep your fabrics looking new and fresh. When cleaning windows around the fabrics, be sure to roll the fabric completely up to allow access to the objects you are cleaning and to minimize any harsh chemicals from coming in contact with the fabrics. Should you discover any threads or frayed edges, do not tear or pull them. Use scissors to cut away any threads gently.
