DECORATIVE

Geneva is an organic styled fabric resembling that of bark, reminiscent of woodland trees and Scottish tweed. It provides a dynamic pattern that is classic, dimensional, and soft to the eyes. The light-filtering style option of Geneva provides beautiful natural daylighting combined with privacy. The blackout style features a white foam backing great for residential applications.

## CARE AND CLEANING

---

Remove dust with vacuum cleaner or compressed air. Do not scrub. Do not use solvents or any abrasive substance which might damage the coating on the fabric. Clean with a sponge or a soft brush dipped in soapy water using mild detergent. Rinse with clean water. Leave the shade down until completely dry. You can also rub the fabric very gently with a clean white pencil eraser to remove small stains.
